RE: RFP for Solar PV Development for Onsite Energy Generation

Dear Mr. McCarthy:

Thank you for your proposal for solar development for the Town of Nantucket. The Town received and evaluated three proposals. Please be advised that the Town has decided to award the bid to SunPower, for the following sites, as you were deemed to be the most advantageous responder on this project pursuant to M.G.L Chapter 30B:

-75kW PV system at Surfside WWTP (Town-Owned, Mass DEP Grant supported)

-249kW AC Solar Carport at the 4 Fairgrounds Public Safety Facility (PPA/Third-Party Owned)

-3.67 MW AC Solar PV system with potential battery component at Wannacomet Water Company's Wyers Valley Property (PPA/Third-Party Owned)

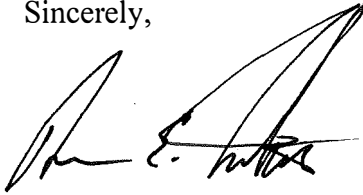

A contract will be awarded for the Wastewater Treatment Plant and Public Safety Facility upon ratification by our Select Board. A contract for the Wannacomet Water Company project will be awarded upon ratification by the Wannacomet Water Company Commission.

Please be advised that the Town will not be moving forward with solar development at the other sites outlined in the RFP at this time; however, there may be an opportunity to bid the remaining projects again at a later date.

Contract negotiations will be led by the Town's consultant, The Cadmus Group, in collaboration with the Town. Once finalized, please return the signed contracts at your earliest convenience. Fully executed copies will be returned to you upon approval and signature of Town officials.

Town Administration extends their appreciation for your submission. Thank you very much for your interest in Nantucket and this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Brian E. Turbitt". The signature is stylized with a large, sweeping initial "B" and a long horizontal stroke at the end.

Brian E. Turbitt  
Director of Municipal Finance  
Chief Procurement Officer
